The 1890 Club

A legendary club

The Nice Lawn Tennis Club (NLTC), established in 1890, is a prestigious club located in the beautiful city of Nice, France. As one of the oldest and most exclusive clubs in the region, NLTC takes pride in our exceptional level of service and attention to detail. The date of 1890 is historical as it is only six years after the codification of tennis in England and three years after the first official tournament organized at Wimbledon, the Nice Lawn Tennis Club is both a cradle of French tennis and a veritable institution of Riviera sport.

It is in that tradition that Jet Set Sports honors the iconic NLTC with the 1890 Club. Our team of global experts are dedicated to providing an unparalleled level of hospitality, ensuring that every visit is delivered in a manner which reflects the excellence of the Hopman Cup and the NLTC. Showcasing world renowned chefs from Michelin star rated restaurants and some of the France's finest wines, The 1890 Club is about providing guests with a memorable and enjoyable experience which compliments the sport.
